Charlie's Italian Restaurant & Pizzeria

Charlie Perrone and his wife, Collette, own Charlie's Italian Restaurant and Pizzeria. Charlie was born in Bari, Italy in 1957 and raised in South Florida after 1963. He has been in the restaurant business with his family all of his life. Charlie is also the winner of several culinary art shows in the 1970's and has cooked for many famous individuals like Julia Child, Tony Bennett, Jerry Lewis, Diane Carroll, Joe DiMaggio and more.

He has a love and great passion for cooking and strives only to serve the freshest and healthiest of foods to his customers. Charlie and Collette have been serving the North Georgia mountain area since 1996, starting in Union County, then to Fannin County and finally to Gilmer County for the past 7 years.

At Charlie's, they honor value and tradition. Every meal is hand-prepared just the way you like it, using on the finest quality ingredients. The goal is to create a truly authentic dining experience. In Charlie and Collette's home, the hospitality is always warm and the food was never cold. The sweet aroma of family recipes and the sounds of friends fill the air at Charlie's. That's their tradition.

Thank you!
